Building Foundations by Setting Goals Rich Strehl
Many people are only inches away from success and they just do not realize it. In this book on goal setting Rich Strehl gives clear and easy to understand guidance on setting and reaching your dreams and goals. There is only a hand full of do's and don'ts that really keep us from reaching significance. One of the biggest differences in the approach covered in this book compared to many others is the recommendation to talk to God before we set our goals and continue to talk to Him along the way. There are many statistics out there that most of us agree with regarding setting and achieving goals. This book really simplifies it in a practical fashion so we can begin down the path of success almost immediately.

Filled with experiences from his service in the U.S. Army Military Police Corps to his experience in the world of business, Strehl has a unique way to tie it all together. From studies of the subconscious mind to simple advice from a parent, the research and wisdom found in this book can be truly life transforming.

If you are serious about your future and if you are looking for solid advice about taking your life to the next level, this book is for you. Today is the first day of the rest of your life. Give it your best!
