Narcomania: How Britain Got Hooked On Drugs Max Daly, Steve Sampson
This book is a timely and gripping investigation of illegal drugs in the UK. Filled with fascinating and shocking case studies gathered over twenty years of investigative reporting, it explodes many of the myths and misconceptions about drug use, and makes a compelling case for a new way forward. Unsurprisingly, in the light of this book, our politicians are confused about what will please or displease the all-important middle class electorate. Equally unsurprisingly, however, so much myth and confusion surrounds the subject that clarity must be brought to chaos if the wisdom of the crowd is ever to surface...
