Ethereal: Dreamlands and Heavens Bryce Couture
"Ethereal is a personal escape and my idea of the perfect place, a garden of life and essence of freedom. My heaven is a mix of bad and good with heavy emotion and confusion. because you must kiss the devil to gain immortality and seduce him to gain the peace and contentment that you wish to own. my dreamland has luscious flowers and beautiful rhymes but also has some of the darkest corners in the celestial. the inside of one's mind is the most wretched and warming place you could visit, but it is worth the trip. A land where all of your childish dreams and darkest fantasies come true, that is my ethereal."
