Shannon's Way

A J Cronin

Shannon's Way A J Cronin
Robert Shannon was a devoted scientist on the brink of a medical discovery of great importance. He had no time or inclination for women . . . or for any of the world outside his laboratory. But Jean Law had other plans for him. Strictly brought up by narrow-minded parents, confined by her hospital lectures and her dingy boarding-house, she hardly knew the fires that burned beneath her calm exterior . . . except that they burned for Robert Shannon. She knew she had to have him for herself, and, despite her family's religious beliefs , their shocked disapproval, and all she had been taught was her destiny, she was determined to fight for him. In the magnificent narrative tradition of The Citadel, The Stars Look Down and Cronin's other classic novels, Shannon's Way is a great book by a much-loved author.

From reader reviews:

Ronald Hill:

Nowadays reading books be than want or need but also turn into a life style. This reading routine give you lot of advantages. The advantages you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The details you get based on what kind of reserve you read, if you want send more knowledge just go with training books but if you want truly feel happy read one together with theme for entertaining such as comic or novel. Typically the Shannon's Way is kind of e-book which is giving the reader unstable experience.

Patti Metivier:

This book untitled Shannon's Way to be one of several books in which best seller in this year, here is because when you read this guide you can get a lot of benefit onto it. You will easily to buy this particular book in the book retail store or you can order it via online. The publisher with this book sells the e-book too. It makes you quickly to read this book, as you can read this book in your Mobile phone. So there is no reason for your requirements to past this reserve from your list.

Carol Berry:

Your reading 6th sense will not betray anyone, why because this Shannon's Way book written by well-known writer we are excited for well how to make book that can be understand by anyone who read the book. Written inside good manner for you, still dripping wet every ideas and creating skill only for eliminate your hunger then you still skepticism Shannon's Way as good book not just by the cover but also by the content. This is one publication that can break don't assess book by its handle, so do you still needing one more sixth sense to pick this!? Oh come on your looking at sixth sense already said so why you have to listening to one more sixth sense.

Pearlie Wong:

Many people spending their time period by playing outside along with friends, fun activity using family or just watching TV 24 hours a day. You can have new activity to shell out your whole day by reading through a book. Ugh, think reading a book can definitely hard because you have to bring the book everywhere? It ok you can have the e-book, having everywhere you want in your Smartphone. Like Shannon's Way which is keeping the e-book version. So , try out this book? Let's observe.
