The Humor of Christ Elton Trueblood
The Humor of Christ inspires Christians to redraw their pictures of Christ and to add a persistent biblical detail, the note of humor. Throughout the Gospels, Christ employed humor for the sake of truth and many of his teachings, when seen in this light, become brilliantly clear for the first time. Irony, satire, paradox, even laughter itself help clarify Christ's famous parables, His brief sayings, and important events in His life. In a valuable appendix 30 humorous Gospel passages are listed for further study.
