Dissolution (Matthew Shardlake Mysteries) C. J. Sansom
Matthew Shardlake, a keenly intelligent hunchback lawyer, is in the service of Lord Thomas Cromwell, an ambitious advisor to King Henry VIII. Shardlake, and many like him, sought to create a world in which faith and charity would be enough to settle differences. But following England's break with the Roman Catholic Church, Cromwell is charged with suppressing the country's monasteries and confiscating their land. By the winter of 1537, his actions have led to rebellion and executions. The disembodied heads of accused traitors line the spikes on London Bridge was a warning to others.

Harsh new laws, rigged trials, networks of informers, and Queen Anne Boleyn herself executed on questionable charges—the scene is set for reform and for Cromwell supporter Matthew Shardlake to enter a hellish cauldron of personal, social, and political upheaval. As Shardlake starts to doubt Cromwell's methods for achieving reform, he is sent to investigate a monastery murder that only serves to fuel his suspicions, even as his own loyalty comes under the microscope.

From reader reviews:

Bernard Martin:

In this 21st hundred years, people become competitive in every way. By being competitive now, people have do something to make these survives, being in the middle of typically the crowded place and notice by means of surrounding. One thing that at times many people have underestimated it for a while is reading. Yeah, by reading a book your ability to survive increase then having chance to endure than other is high. To suit your needs who want to start reading any book, we give you this specific Dissolution (Matthew Shardlake Mysteries) book as beginning and daily reading book. Why, because this book is greater than just a book.

Serina Horne:

As people who live in the particular modest era should be update about what going on or facts even knowledge to make these people keep up with the era that is certainly always change and move forward. Some of you maybe will certainly update themselves by looking at books. It is a good choice for you personally but the problems coming to anyone is you don't know what one you should start with. This Dissolution (Matthew Shardlake Mysteries) is our recommendation to make you keep up with the world. Why, because book serves what you want and wish in this era.

Donna Beckman:

In this era globalization it is important to someone to acquire information. The information will make anyone to understand the condition of the world. The health of the world makes the information easier to share. You can find a lot of references to get information example: internet, classifieds, book, and soon. You can observe that now, a lot of publisher that print many kinds of book. The book that recommended to your account is Dissolution (Matthew Shardlake Mysteries) this reserve consist a lot of the information in the condition of this world now. That book was represented how can the world has grown up. The language styles that writer use to explain it is easy to understand. The writer made some exploration when he makes this book. This is why this book appropriate all of you.

Joan Burton:

As a student exactly feel bored to be able to reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Dissolution (Matthew Shardlake Mysteries) can make you really feel more interested to read.
