Ivica Crnkovic, Ulf Asklund, Annita Persson Dahlqvist

Implementing and Integrating Product Data Management and Software Configuration Management (Artech House Computing Library) Ivica Crnkovic, Ulf Asklund, Annita Persson Dahlqvist
Because todayÂs products rely on tightly integrated hardware and software components, system and software engineers, and project and product managers need to have an understanding of both product data management (PDM) and software configuration management (SCM). This groundbreaking book offers you that essential knowledge, pointing out the similarities and differences of these two processes, and showing you how they can be combined to ensure effective and efficient product and system development, production and maintenance.

The book provides comprehensive coverage of the immense range of PDM/SCM tools in the marketplace. You learn how to leverage the synergy created by combining PDM and SCM. Organizations using this integrated approach can benefit for years to come by being able to quickly and efficiently develop new products and efficiently maintain and update existing products. A thorough treatment of PDM and SCM principles ensures mastery of these development processes before embarking on an integration program. In-depth case studies provide practical knowledge for successful PDM and SCM use and integration.

From reader reviews:

Fernando Levering:

Book is to be different for each and every grade. Book for children until eventually adult are different content. We all know that that book is very important for all of us. The book Implementing and Integrating Product Data Management and Software Configuration Management (Artech House Computing Library) ended up being making you to know about other understanding and of course you can take more information. It doesn't matter what advantages for you. The publication Implementing and Integrating Product Data Management and Software Configuration Management (Artech House Computing Library) is not only giving you far more new information but also being your friend when you sense bored. You can spend your spend time to read your guide. Try to make relationship with all the book Implementing and Integrating Product Data Management and Software Configuration Management (Artech House Computing Library). You never really feel lose out for everything in case you read some books.

Dixie Love:

Nowadays reading books be a little more than want or need but also be a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book that improve your knowledge and information. The information you get based on what kind of e-book you read, if you want attract knowledge just go with schooling books but if you want experience happy read one using theme for entertaining including comic or novel. The actual Implementing and Integrating Product Data Management and Software Configuration Management (Artech House Computing Library) is kind of guide which is giving the reader unpredictable experience.

Robert Hatch:

Hey guys, do you wants to finds a new book to study? May be the book with the concept Implementing and Integrating Product Data Management and Software Configuration Management (Artech House Computing Library) suitable to you? The book was written by famous writer in this era. Typically the book untitled Implementing and Integrating Product Data Management and Software Configuration Management (Artech House Computing Library)is a single of several books that will everyone read now. That book was inspired many men and women in the world. When you read this reserve you will enter the new way of measuring that you ever know ahead of. The author explained their strategy in the simple way, thus all of people can easily to understand the core of this reserve. This book will give you a wide range of information about this world now. In order to see the represented of the world with this book.

Julie Long:

The book Implementing and Integrating Product Data Management and Software Configuration Management (Artech House Computing Library) will bring one to the new experience of reading a new

book. The author style to describe the idea is very unique. Should you try to find new book to learn, this book very appropriate to you. The book Implementing and Integrating Product Data Management and Software Configuration Management (Artech House Computing Library) is much recommended to you to read. You can also get the e-book through the official web site, so you can quickly to read the book.
