The Serenity Strain: Stormbreak (Volume 1) Chris Pourteau
Note: Previously published as Apocalypse Weird: The Serenity Strain by Wonderment Media, Inc. The End of the World Starts on the Gulf Coast Multiple hurricanes wreak unprecedented devastation on Houston, Texas. The Serenity Six—genetically altered test subjects for a viral strain known as Serenity—escape the state prison in Huntsville to gorge their appetite for murder on society's survivors. They soon become the acolytes of Id, a being of immense power and wanton appetites, who steps into our reality to prosecute mankind and destroy morality. And one family steps up to the fight—a family experiencing its own turmoil caused by a contentious divorce. The Stand meets 28 Days Later in this epic tale of genetic manipulation gone awry. There's no such thing as an ordinary hero.

As a student exactly feel bored in order to reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this The Serenity Strain: Stormbreak (Volume 1) can make you experience more interested to read.
