Created by WildFire, the team behind the award-winning CthulhuTech, Chthnonian Stars is an original setting for Traveller. It brings a Lovecraftian flair to the Traveller family of products, in a near future setting where mankind has expanded out into our solar system, where old things are beginning to awaken. This is the core setting book, with everything a new players needs (other than the Traveller Core Rulebook). It includes robust setting material, including a look at the planets and colonies of our solar system, new technology and starships, and a peek behind the curtain at the occult history of our part of the galaxy. It also includes new optional rules for character generation, including point allocation and half-terms, and new rules for psychology and combat.
