Fleurs 2015 Radiographic Art: Beyond the Light - Fantastic Insight Views into the Architecture of Nature (Calvendo Nature) Dr. Martin Strunk
Beyond the Light - Martin Strunk uses X-rays for making floral photo art. The radiographic pictures are compositions of shapes and overlays that show the endless diversity of structures and inimitable aesthetics, that unveils itself in the perfection of nature - fantastic insight views in the architecture of nature. In his new calendar "FLEURS" he shows twelve coloured radiographic fine-art prints. With his former editions of the calendar "FLEURS" Martin Strunk has already received numerous international awards. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
