Room Tone (Audio Issues)

Robin Wilson

Room Tone (Audio Issues) Robin Wilson
Room Tone was initiated by artist Brandon LaBelle to examine the relationship between sound and architecture. LaBelle sent field recordings of his apartment to 20 architects, designers and artists, each of whom was invited to construct a physical model of the apartment based solely on these recordings. This publication includes documentation of the architectural renderings, essays, an interview with LaBelle and a CD of the recordings.
