The Autobiography of a Snake: Drawings by Andy Warhol Andy Warhol

In this visual complement to *The Andy Warhol Diaries*?a snake who might be Warhol himself chronicles his attempts to scale the social ladder

This is the never-before-published story of a snake trying to make it in the world of sixties high society, strongly suggested to be a stand-in for Warhol himself. The snake's tongue-in-cheek observations as he slithers from adorning Jackie Kennedy's boots to embellishing Coco Chanel's shirt will delight the sophisticated fashion crowd. But the stars of the show are Warhol's whimsical illustrations, revivified with a color scheme inspired by his iconic Pop Art.

Before he achieved his dream of making it big in New York, Andy Warhol worked in advertising for a leather goods company, Fleming-Joffe, alongside Ogden Nash and Piero Fornasetti. It was for Fleming-Joffe that he created these images, held by the Warhol Museum in Pittsburgh, Pennsylvania, and rarely seen until this deluxe publication. The *Autobiography of a Snake* is a brilliant portrait of Warhol's obsessions, his talent, and the world he would one day conquer.

George Hale:

Reading a guide tends to be new life style with this era globalization. With examining you can get a lot of information that could give you benefit in your life. With book everyone in this world can easily share their idea. Publications can also inspire a lot of people. A lot of author can inspire all their reader with their story or perhaps their experience. Not only the storyline that share in the textbooks. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors in this world always try to improve their talent in writing, they also doing some analysis before they write to their book. One of them is this The Autobiography of a Snake: Drawings by Andy Warhol.

Robert Denney:

As a pupil exactly feel bored to help reading. If their teacher inquired them to go to the library in order to make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to the library. They go to there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says,

ways to reach Chinese's country. So , this The Autobiography of a Snake: Drawings by Andy Warhol can make you sense more interested to read.
