Working with Political Science Research Methods: Problems and Exercises Jason D. Mycoff
Practice makes perfect. This new, fourth edition of Working with Political Science Research Methods continues to support student learning by offering the perfect opportunity to practice each of the methods presented in the core text. Designed to be paired with the text chapter for chapter, the workbook breaks out each aspect of the research process into manageable parts and features new exercises and updated data sets. More than half of the book's exercises are new or updated, and feature more international examples than ever before. A solutions manual with answers to the workbook is available to adopters.
