Continent Formation Through Time (Geological Society Special Publications)

N. M. W. Roberts (Editor)

Continent Formation Through Time (Geological Society Special Publications) N. M. W. Roberts (Editor)
Processes associated with plate tectonics are generally accepted as controlling crust-generation during the Phanerozoic, but it is not clear when these processes started, and how they have changed through time. This volume will address this question at regional to global scales, across a wide range of time intervals and using a variety of approaches.
