Laboratory Safety in Practice

Edward L. Gershey, Esmeralda Party, Amy Wilkerson

Laboratory Safety in Practice Edward L. Gershey, Esmeralda Party, Amy Wilkerson
This book provides a flexible system that safety directors and laboratory workers can use to develop laboratory safety procedures that ensure the safety and well being of on-site personnel. The book describes all major types of chemicals, evaluates equipment for its safe and prudent use, and discusses the storage and removal of waste treatment. All the material is based on practical experience gained by the authors at one of the world's leading research universities. For flexibility and ease of use, all material is supplied in three-ring binders. This book should be of interest to laboratory administrators and safety directors at university, government and industrial research and development laboratories.
