Meet the talented young dancers of Dance Tech, a place where you can learn more than just dancing...

The Dance Café is open for business! With free lessons taught by the Dance Tech students, the hip new place is sure to be a huge success. And Daly can't help thinking the cafe might just offer the perfect recipe to get her relationship with Ray back on track.

But the first Latin Night at the café turns Daly's dream to dust. She usually doesn't mind Ray dancing with another girl. But his tango with Inez looks anything but professional. And that's nothing compared to what she sees when she stumbles into their private lesson!
