Rock & Ice Climbing: Top the Tower (Extreme Sports Collection) Jeremy Roberts, Jim DeFelice Accelerated Reader is a program based on the fact that students become more motivated to read if they are tested on the content of the books they have read and are rewarded for correct answers. Students read each book, individually take the test on the computer, and receive gratification when they score well. Schools using the Accelerated Reader program have seen a significant increase in reading among their students.

These new middle school titles are a valuable addition to any library.
