Saint Monica

Mary Biddinger

Saint Monica Mary Biddinger
Poetry. Mary Biddinger's poetry collection SAINT MONICA reinvents the saint as an everyday girl coming of age in the rust belt Midwest. These poems explore temptation, transgression, and heavenly presences in a landscape that is far from holy.

"Biddinger crisply narrates these memorable tales that entwine horror and sensual discovery, using deft rhythms, head-snapping line breaks, and highly original imagery."—Rachel Dacus
