The Rocket Scientists' Guide to Money and the Economy: Accumulation and Debt Michael Sharp

The world is in political, social, spiritual, and economic chaos and it doesn't seem to be getting any better. The global economy teeters on the brink of collapse while social violence and chaos explodes on our ubiquitous screens. What's going on and, more importantly, what can we do about it?

The Rocket Scientists' Guide to Money and the Economy identifies the problem and tags the solution. In this book learn about money, debt, the globalized economy of accumulation, and how the Family is taking us all down a path of total global destruction. Learn how it all started, how we've gotten ourselves to this point, and what we need to do to fix the problem before it is too late.

We can't afford to wait for the global elites to solve the problems they have caused because they don't know how. But you can. Read the *Rocket Scientists' Guide to Money and the Economy Today* and find out for yourself today.
