She's holding out for a happy ever after.

I know where to find my happily ever after--between the pages of a romance novel. It's why I sell books, why I blog about them, and why I'll never get disappointed by love.

So what if my brother's best friend from high school is now a bestselling author? Or that he just blew back into town on a Harley, filling out a pair of jeans like he never did before? Or that he's agreed to do a signing at my bookstore on such short notice?

Because despite all his adoring female fans, I kind of hated his book.

Each book in the Kingston Ale House series is a standalone, full-length story that can be enjoyed out of order.

Series Order:
Book #1 The One That Got Away
Book #2 Six Month Rule
Book #3 Three Simple Words
Book #4 Worth the Wait
