America Needs a Woman President Brett Bevell

“*America Needs a Woman President* will appeal to any woman or man of any political persuasion (or none at all) who hungers for wise and bold leadership. It is a love poem, a visionary rant, a call to action, a cry for sanity. America needs this funny, brilliant, and beautiful book.”—Elizabeth Lesser, author of *The New American Spirituality*

Imagine a president who leads with a mother’s love, the forgiving humor of a grandmother, and the wisdom of a medicine woman. These words, beautifully illustrated by artist Eben Dodd, give hope for a new paradigm of leadership at a time when we need it most.
