His dragon will do anything to claim her, his symbiot will do anything to protect her, and he would do anything to chase the shadows from her eyes. For he knows he has found the light to his darkness.
Now, the challenge will be to corner her long enough for her to realize he is the only one in the universe who can heal her shattered heart. She will fight him at every turn to return home to finish what she has started. He will do everything in his power to keep her by his side.
