End-Time Survivor Neil Turner
End-Time Survivor explains what the Bible says about the days in which we live, the things to come, and how you should prepare for them The global situation is rapidly deteriorating. The world is less safe, less stable, and the age-old traditional values we have taken for granted are fast disappearing. Conflict, economic meltdown, social disorder, famine, and natural disasters are in the news every day. Christians are coming under increasing pressure to compromise their faith. The Bible is clear that the situation will get worse before it gets better During the last few days of His earthly ministry Jesus shared with His closest disciples a dramatic account of what believers should expect to see at the end of the age. End-Time Survivor provides an original and detailed insight into these end-time prophecies, combining them into a comprehensive, plausible, start-to-finish handbook of end-time Bible prophecy to educate and arm Christians to face the challenging days ahead. End-Time Survivor will equip you with faith and hope to face the future so that you will know how to respond and not be taken by surprise. End-Time Survivor will help you to: • understand the grand panorama of end-time Bible prophecy • know how to look for and interpret the signs of the times • know what steps to take to prepare for the trouble ahead • understand your personal responsibility to invest in the Kingdom of God End-Time Survivor • provides a comprehensive end-time prophetic reference guide, in an authoritative yet highly readable style • provides an unprecedented depth of analysis of Jesus' three major prophetic discourses from the Gospels and Book of Revelation • synthesizes these with other scriptural sources into a safe, robust and reliable prophetic chronology for the last days, with clear phases and key events, supplemented with helpful tables, charts, maps and keys • considers and identifies our present position in the timeline, based on a reasoned and thoroughly researched assessment of historical and current events • leaves the reader in no doubt about what is to come in the short, medium and long terms, with particular reference to practical personal preparation • stirs faith and hope based on the clear promises of God's word End-Time Survivor provides innovative keys to highlight: - 'laws' for interpreting prophecy; - prophetic signs to watch for; - 'secret things' currently hidden from us; - suggested Bible memory verses; and - practical actions we should take now to prepare
