MindWar (The MindWar Trilogy) Andrew Klavan

When Rick lost the ability to run, he came one step closer to becoming a hero.

New High Score! New Record Time!

Rick nodded with grim satisfaction. He laid the game controller aside on the sofa and reached for his crutches.

Rick Dial was the best quarterback Putnam Hills High School had ever seen. Unflappable. Unstoppable. Number 12. But when a car accident left him crippled, Rick's life as he knew it ended. He disavowed his triumphant past. He ignored his girlfriend. He disappeared into his bedroom—and into the glowing video screen.

But Rick's uncanny gaming skills have attracted attention. Dangerous attention. Government agents have uncovered a potentially devastating cyber-threat: a Russian genius has created a digital reality called the Realm, from which he can enter, control, and disrupt American computer systems . . . from transportation to defense. The agents want Rick, quick-thinking quarterback and gaming master, to enter the Realm and stop the madman—before he sends America into chaos.

Entering the Realm will give Rick what he thought he'd never have again: a body as strong and fast as it was before the accident. But this is no game, there are no extra lives, and what happens to Rick in the Realm happens to Rick's body in reality.

Even after Rick agrees to help, he can't shake the sense that he's being kept in the dark. Why would a government agency act so aggressively? Can anyone inside the Realm be trusted? How many others have entered before him . . . and failed to return?

In the tradition of *Ender's Game* and *The Matrix*, *MindWar* is a complex thriller about a seemingly ordinary teenager who discovers a hidden gift—a gift that could make him a hero . . . or cost him everything.

"Edgar Award–winning Klavan's well-orchestrated fantasy thriller features . . . an imaginative mix of gaming action with real-life stakes. With just the right cliff-hanger ending, this trilogy opener shows promise." —*Booklist*

From reader reviews:

Van Gee:

Have you spare time to get a day? What do you do when you have much more or little spare time? Yep, you can choose the suitable activity for spend your time. Any person spent their particular spare time to take a walk, shopping, or went to often the Mall. How about open or maybe read a book titled MindWar (The MindWar Trilogy)? Maybe it is to get best activity for you. You understand beside you can spend your time along with your favorite's book, you can more intelligent than before. Do you agree with the opinion or you have different opinion?

Elaine Davenport:

This MindWar (The MindWar Trilogy) book is absolutely not ordinary book, you have after that it the world is in your hands. The benefit you get by reading this book will be information inside this publication incredible fresh, you will get info which is getting deeper an individual read a lot of information you will get. This particular MindWar (The MindWar Trilogy) without we comprehend teach the one who looking at it become critical in thinking and analyzing. Don't be worry MindWar (The MindWar Trilogy) can bring any time you are and not make your carrier space or bookshelves' grow to be full because you can have it within your lovely laptop even telephone. This MindWar (The MindWar Trilogy) having fine arrangement in word in addition to layout, so you will not experience uninterested in reading.

Donald Purcell:

Exactly why? Because this MindWar (The MindWar Trilogy) is an unordinary book that the inside of the guide waiting for you to snap that but latter it will distress you with the secret it inside. Reading this book close to it was fantastic author who have write the book in such incredible way makes the content on the inside easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of gains than the other book include such as help improving your talent and your critical thinking technique. So , still want to delay having that book? If I were you I will go to the reserve store hurriedly.

Cheryl Saldana:

Your reading sixth sense will not betray an individual, why because this MindWar (The MindWar Trilogy) e-book written by well-known writer who knows well how to make book that can be understand by anyone who read the book. Written inside good manner for you, leaking every ideas and composing skill only for eliminate your own hunger then you still question MindWar (The MindWar Trilogy) as good book not just by the cover but also from the content. This is one e-book that can break don't ascertain book by its handle, so do you still needing one more sixth sense to pick that!? Oh come on your reading sixth sense already told you so why you have to listening to yet another sixth sense.
