These Beautiful Bones: An Everyday Theology of the Body Emily Stimpson
It was Blessed John Paul II's greatest gift to the Church: The theology of the body. A window into who we are, the theology of the body is a theology for the rooms where we make love. But it s also a theology for the rooms where we work, where we eat, where we laugh, and where we pray. *These Beautiful Bones* takes you on a walk through those rooms. With both humor and practical wisdom, it sheds light on what the theology of the body has to say about life beyond the bedroom, about the everyday moments of life, helping you discover how to let grace enter into those moments and make of them something extraordinary.
