Understanding Auto Technology and Repair Video Series Tape 16: How to Diagnose Automotive Air Conditioning Problems Cengage Learning Delmar
This videotape is excellent for the beginning automotive student! It provides a visual introduction to understanding and diagnosing all major systems of the automobile. This tape introduces the purpose of the system, its major components, and provides an explanation of the system's functions. Coupled with a troubleshooting tape, the student is given a general overview of common problems confronted in the workplace. With the same diagnosis procedures used throughout the videos, procedures are reinforced through repetition.
