The identity of the Antichrist is a topic of hot debate today. Adding fuel to the flame of rampant speculation are voices saying the Antichrist might be a Muslim or a Jew—a view that respected Bible scholar and bestselling author Ron Rhodes argues against in this revealing, Scripture-based exploration of:

- what God's Word does and does *not* tell us about the Antichrist
- the advance signs, power moves, and eventual fall of this person
- the mysterious "Gog"?leader of Northern military coalition mentioned in Ezekiel

It is time for a trustworthy study of this topic to take the place of emotion-based suspicions. Believers, followers of end-times news, and anyone anxiously watching the turmoil of today's political landscape will be thankful for this thorough, straightforward resource. Excellent for church and personal libraries.
