What do you know about Angels and Demons?
Is there a difference between an angel and a demon?
How do the angels help us?
How do the demons hinder us?

These are just a few questions that will be attempted to be answered in this "revised" edition of Victor Knowles' popular book "The the Bible says About Angels and Demons."

All America is now fascinated with the subject of angels. A recent issue of "Time" featured a story on angels... the cover story! The Headline read, "The New Age of Angels: 69% of Americans believe they exist. That in heaven is going on?"

Well, what in heaven is going on? A war! A war "against the rulers, against the powers, against the world forces of this darkness, against the spiritual forces of wickedness in the heavenly places" (Eph. 6:12). Right now, at this very moment, a colossal, cosmic conflict is taking place between God and the devil, the forces of good and evil. How does this spiritual war affect Christians? How are angels and demons involved in this conflict? Are they involved?

Angels are mentioned over 300 times in Scripture. What are angels? Are angels ministering spirits helpers from heaven? If they are, then are demons menacing spirits, hinderers from hell?

Just who is Satan and what is his role in this conflict? Is he a "fallen angel" with power over an evil empire of fallen angels?

This book is an honest attempt to give a biblical perspective on a much neglected theme. The Bible has much to say about unseen angels and unclean spirits, as well as the spiritual war that is underway right now!
