Eyeing the Flash: The Making of a Carnival Con Artist

Peter Fenton

Eyeing the Flash: The Making of a Carnival Con Artist Peter Fenton
The year is 1963, the setting small-town Michigan. Pete Fenton is just another well-mannered math student until he meets Jackie Barron, a teenage grifter who introduces him to the carnival underworld -- and lures him with the cons, the double-dealing, and, most of all, the easy money. The memoir of a shy middle-class kid turned first-class huckster, *Eyeing the Flash* is highly unorthodox, and utterly compelling.
