Mississippi Blues

Kathleen Ann Goonan

Mississippi Blues Kathleen Ann Goonan
The journey of Verity across the wonderfully altered landscape of mid-America began in *Queen City Jazz:* "A dizzying novel that takes full advantage of the creative potential of nanotech," said *The New York Times*. Now it continues down the river in *Mississippi Blues.* Verity takes the wildest cast of characters since Philip José Farmer's *Riverworld,* both living and resurrected, down the river to possible salvation in New Orleans and beyond in a great SF epic.
