Artichoke Tales Megan Kelso
Artichoke Tales is a coming-of-age story about a young girl named Brigitte whose family is caught between the two warring sides of a civil war, a graphic novel that takes place in a world that echoes our own, but whose people have artichoke leaves instead of hair. Influenced in equal parts byLittle House on the Prairie, The Thorn Birds, Dharma Bums, and Cold Mountain, Kelso weaves a moving story about family amidst war. Kelso's visual storytelling, uniquely combining delicate linework with rhythmic, musical page compositions, creates a dramatic tension between intimate, ruminative character studies and the unflinching depiction of the consequences of war and carnage, lending cohesion and resonance to a generational epic.
