The Time Typer Jameson Watts
Connor lives on an Earth that's nothing like the one we know today, where the rich have more power than ever and the rest of humanity is poor and struggling to survive. Using a mysterious device called the Time Typer, he hopes to contact the past and alter the timeline of history; anything would be better than the way things are now... Join Connor as he tells you his story. Learn about his life, the people he cares about, and his attempts to change the world. He is responsible for creating a new future, but is it even possible? Will he succeed? Better hope so - the human race depends on it...
