Ellen Willis

No More Nice Girls: Countercultural Essays Ellen Willis

With characteristic intelligence, wit, and feminist insight, Ellen Willis addresses democracy as she sees it: “a commitment to individual freedom and egalitarian self-government in every area of social, economic, and cultural life.” Moving between scholarly and down-to-earth activist writing styles, Willis confronts the conservative backlash that has slowly eroded democratic ideals and advances of the 1960s as well as the internal debates that have frequently splintered the left.
