Peter Sculthorpe

Graeme Skinner

Peter Sculthorpe Graeme Skinner
Peter Sculthorpe is Australia’s best-known living composer and is widely held to be the most important composer the country has yet produced. This, the first biography of the composer, tells the fascinating story of his rise to prominence. Beautifully written and fastidiously researched, this authorized biography provides an insight into Sculthorpe's formative years: his quest for a personal voice, and his arrival—through many creative friendships and collaborations—at a place in the collective heart of the nation. It is also a social history, charting the rise of modernism in Australian music through the eyes of its key player.
