Submissionary Sherryle Kiser Jackson
Damon Myers-Jones despised the awkward hyphenated name forced upon him at birth because it represented two things Damon would rather forget: his adopted father’s death and his real father’s absence. Now thirty years old, newly engaged Damon struggles with the constant tug-of-war with the women in his life. His mother, Laverne Myers-Jones, who cloaked him with his name in the first place, wants to extend her influence to his choice of mate. Damon’s fiancée, Hope Daniels, can’t see beyond her longing to keep what she deems the perfect man and plans for her happily ever after. In a desperate attempt to find himself, Damon impulsively sets out on a mission's trip to Haiti in search of his birth father where he experiences a shift that changes his world. Will his personal mission coincide with what God has in store for him?
