**Under the Skin** Nick Hahn
In Under the Skin, a brutal African dictator is challenged by two young women from different worlds: Maggie Kincaid, born to wealth and privilege in New York, and Nabby Kibugu, born to poverty and obscurity in the African bush. Their unlikely friendship sparks a fiery political drama with the potential to upend the leadership of a country and change the lives of millions. Maggie is working as an intern for an American company in Uganda when she meets longtime pen pal Nabby. She becomes ensnarled in a clandestine political campaign to elect Nabby as the first female president of Uganda. The women risk everything as they take on a corrupt, abusive government. In a startling move, they decide to enlist the improbable help of a notorious warlord, and it's anyone's guess as to whether their dangerous gamble will pay off.
