Even when it wasn't raining, it was about to rain, or had just rained. It’s an ancient land, filled with history and with a promising future. Not everything in Scotland is as it appears, however. Some Scots say this is a land haunted by spirits, a place of strange disappearances and unexplained phenomena. There is no shortage when it comes to the strange stories Scotland has to offer, and the legends and lore have compelled many to dig a little deeper and even explore this wonderful land for themselves. Weird Scotland: Monsters, Mysteries, and Magic Across the Scottish Nation is part of an ongoing series by Sean McLachlan and Charles River Editors that includes The Weird Wild West, Mysteries of the South, The Mysterious Midwest, and Mysterious New England, and more regional titles will be coming soon. This book offers a sampling of strange, unexplained, and just plain odd stories from Scotland that have fascinated people in and around the region for centuries. Along with pictures of important people, places, and events, you will learn about Weird Scotland like never before.
